

**5/11/2009**

**Gary Altunian - stereos.about.com on the Noble Fidelity L-82 C Indoor/Outdoor Loudspeaker...** “the L-82 C speakers have a bigger, bolder musical presence than any outdoor speaker I've heard. The sound quality of the L-82 C is more like a mid-sized bookshelf speaker than a typical outdoor speaker. Fuller bass response, clear and open midrange and detailed high frequencies make these speakers stand out from the clutter of outdoor speakers on the market...”

**AVguide.com 12:12 AM - Chris Martens' blog, “An Uncommonly Good In-Ceiling Speaker from Noble Fidelity”.** “I thought the speaker was quite good at the time..., and it went on to win a The Perfect Vision magazine award as 'Best General Purpose In-Ceiling Speaker'. But frankly, I didn't know the half of it. I've (now) heard the L-85's at their best, and I must say I'm impressed. (They) sell for \$649/pair and look deceptively modest at first glance, but - as always seems to be the case with such devices - the real genius is in the details...”
